

FLOORTEC 560

- Dust free sweeping of floors and carpet areas

Nilfisk ALTO

Why Compromise

Effective even in narrow spaces

Adjustable ergonomic drive handle to match operator height. Foldable for easy transport.

The new Nilfisk-ALTO FLOORTEC 550/560 walk behind sweepers are ideal solutions for effective dust free cleaning of outdoor spaces as well as indoor floors and carpets.

Typical applications are service stations, car parks, playgrounds, factories, small warehouses, office buildings, hotels and conference halls.

With their compact, ergonomic design and easy manoeuvrability the handy machines allow you to clean large areas and at the same time get into corners and narrow spaces. That combined with low noise levels provide operators with a pleasant work environment.

Robust design and low maintenance costs are other significant advantages.

The Nilfisk-ALTO FLOORTEC 550/560 sweepers keep your premises presentable without hard work.

High productivity

- Sweep floors or carpets with one machine – more work done in less time
- Quick and easy inspection/change of filters and brooms without using tools
- Driver ergonomics, traction and easy manoeuvrability – for optimum work flow
- Space for two batteries – double operating times between recharging
- Manual or electrical filter shaker (battery versions) – easy maintenance

Long life – low maintenance costs

- Corrosion protected steel frame with safe guards
- Durable polyethylene construction and roto moulded cover resists corrosion
- Mechanically linked motor and gearbox - reduces maintenance costs and minimizes downtime

Large capacity

- Extra Large hopper capacity
- Over-throw system fills the hopper from above providing extra capacity

Focus on safety

- Automatic power shut-off when changing/inspecting batteries or brooms
- Low voltage cut-off system protects and prolongs battery life
- ABS battery container prevents spillage from batteries on floors and carpets

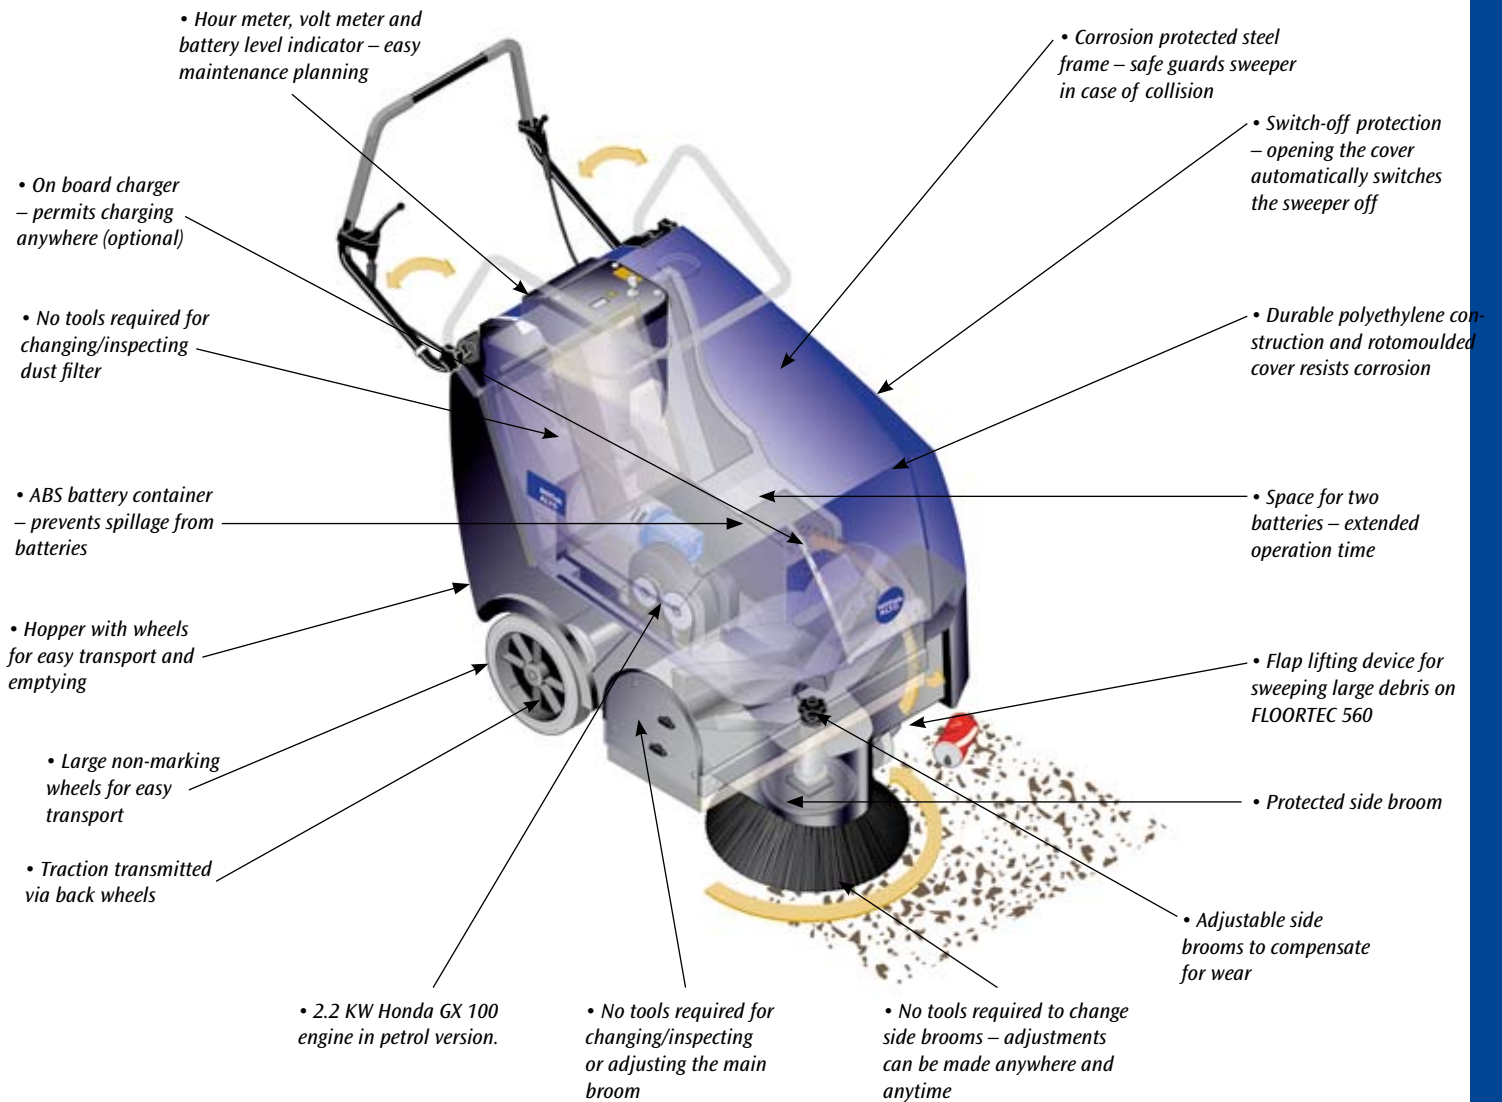

Space for two batteries – extended operation time.
Low voltage cut-off system – ensures long battery life protecting batteries from deep discharge. Optional on-board charger – freedom to charge anywhere.

Flexible in use

- Service stations
- Car parks
- Playgrounds
- Factories
- Small warehouses
- Conference halls
- Office buildings

Value for money

Choose the perfect sweeper for your needs

The FLOORTEC 550/560 series offers a choice of four models: Two battery models and two petrol models, available with either 500 mm or 600 mm broom length. We also provide a wide range of options so you can custom-build your sweeper to match your specific cleaning needs.

Options

- Selection of different batteries – wet or dry
- Normal or on-board charger – charge it anywhere any time
- Different main and side brooms, steel, natural fibre, nylon – easy adaptation to different tasks
- Paper or polyester filters – polyester filters tolerate wet sweeping
- Pre-filters – for light debris separation
- Non-marking skirts for sensitive floors and carpet sweeping
